BABY'S EYESIGHT WAS THREATENED

By Terrible Eczema-Head Became a Mass of Itching Rash and Sores -Would Scratch Till Blood Came - Much Money Wasted in Fruitless Treatments-Disease Was Soon

CURED AT SLIGHT COST BY CUTICURA REMEDIES

"Our little girl was two months old when she got a rash on her face and within five days her face and head were all one sore. We used different remedies but it got worse instead of better and we thought she would turn blind and that her ears would fall off. She and that her ears would fail off. She suffered terribly, and would scratch until the blood came. At night we had to pin her hands down. This went on until she was five months old, then I had her under our family doctor's care, but she continued to grow worse. He said it was eczema. When she was seven months old I started to use Cuticura Soap, Cuticura Cintment, and Cuticura Resolvent, and in three use Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and in three weeks — what a change! I kept using the Cuticura Remedies for two months and ohr baby was a different girl. You could not see a sign of a sore and she was as fair as a new-born baby, and all for the small cost of a dollar and seventy-five cents where we had spent ten times the money for doctoring. She is now two years old and has not had a sign of the eczema since. Mrs. H. F. Budke, R. F. D. 4, LeSueur, Minn., Apr. 15 and May 2, 1907."

SLEEP KILLED By an Itching Humor. Another

Cure by Cuticura Remedies. "I broke out with a humor which spread almost all over my body. The itching would get worse on retiring, so I could not sleep. I tried several remedies but it grew worse until I got some Cuticura Soap and Cuticura Pills which began to relieve me at once. By the time I had used one vial of the Pills, the humor was entirely gone. I wish the humor was entirely gone. I wish every sufferer could secure the Cuti-cura Remedies. Travis Bates, Hamburg.
